

STA LIBRARY DOCUMENT INDEX  
NB: This index is sorted by 'Document Type Tag'

Document Title	TOPIC TAG	DOCUMENT TYPE TAG	TECHNOLOGY TYPE TAG	Access - member only or public	Date issued	Version
1 Part 1 CE Marking and the timber frame industry - intro	Quality	Advice Note	CLT Engineered Wood Product SIPS Timber Frame	Member Only	01/02/2013	1.0
1 Part 2 CE Marking and the timber frame industry - FAQ	Quality	Advice Note	CLT Engineered Wood Product SIPS Timber Frame	Member Only	01/02/2013	2.0
10. Timber Stud Frame Separating Walls	Construction Design	Advice Note	SIPS Timber Frame	Member Only	01/02/2016	3.0
11.Parapet wall coping principles for structural timber frame	Construction Design Engineering	Advice Note	SIPS Timber Frame	Member Only	01/09/2015	1.0
12 Part 1 Specifying Metal Fasteners	Construction Design Engineering Quality	Advice Note	CLT Engineered Wood Products SIPS Timber Frame	Member Only	21/09/2016	1.2
14 Part 1 - Robustness of CLT Structures - Key principles for moisture durability	Construction Design Engineering	Advice Note	CLT	Member Only	01/03/2017	1.0
14 Part 3 - Robustness of CLT Structures - Key principles for good practice detailing for the external envelope of CLT	Construction Design Engineering	Advice Note	CLT	Member Only	01/03/2017	1.0
14 Part 5 - Robustness of CLT Structures - CLT structural design and manufacturing quality assurance	Construction Design Engineering	Advice Note	CLT	Member Only	01/03/2017	1.0
14 Robustness of CLT Structures - Part 2 - Key principles for CLT wall to foundation interfaces	Construction Design	Advice Note	CLT	Member Only	01/03/2017	1.0
14 Robustness of CLT Structures - Part 4 - Construction process best practice	Construction Design	Advice Note	CLT	Member Only	01/03/2017	1.0
15 Part 1 - Legal responsibilities for fire safety on construction sites	Construction Fire During Construction Health & Safety Self Build Site Safe	Advice Note	CLT SIPS Timber Frame	Member Only	01/06/2017	1.0
15 Part 2 - Understanding the inputs for a fire safety plan	Construction Fire During Construction Health & Safety Self Build Site Safe	Advice Note	CLT SIPS Timber Frame	Member Only	01/06/2017	1.0
15 Part 3 - Detailed explanation of the '16 Steps to Fire Safety' strategy	Construction Fire During Construction Health & Safety Self Build Site Safe	Advice Note	CLT SIPS Timber Frame	Member Only	01/06/2017	1.0
16 - Party wall spandrel panels	Construction Design Engineering Fire During Construction	Advice Note	SIPS Timber Frame	Member Only	16/05/2018	1.0
17 - Gable Wall Panels	Construction Design Engineering Fire During Construction	Advice Note	SIPS Timber Frame	Member Only	16/05/2018	1.0
2. Design life of timber frame buildings	Design	Advice Note	CLT SIPS Timber Frame	Member Only	01/03/2013	1.0
3. Introduction to the construction of commercial timber frame buildings	Design	Advice Note	CLT SIPS Timber Frame	Member Only	01/04/2013	1.0
4 Part 1 Foundation tolerances	Construction Design Engineering	Advice Note	SIPS Timber Frame	Member Only	01/01/2014	1.0
4 Part 2 Sole plate tolerances	Construction Design Engineering	Advice Note	SIPS Timber Frame	Member Only	01/01/2014	1.0
4 Part 3 Timber Frame Wall Tolerances	Construction Design Engineering	Advice Note	SIPS Timber Frame	Member Only	01/01/2014	2.0
5 Part 1 Podium Support Structures	Design Engineering	Advice Note	CLT SIPS Timber Frame	Member Only	05/03/2014	1.0
5 Part 1- Podium support structures	Design Engineering	Advice Note	CLT SIPS Timber Frame	Member Only	01/03/2014	1.0
5 Part 2 Timber Floor Structures	Design Engineering	Advice Note	CLT Engineered Wood Products SIPS Timber Frame	Member Only	01/05/2016	1.0
6 Part 1 Thermal performance - Fabric first approach to thermal performance	Design	Advice Note	CLT SIPS Timber Frame	Member Only	01/12/2014	1.0
6 Part 2 Thermal performance - Information for house builders addressing Part L 2013 updates for new dwellings	Design	Advice Note	CLT SIPS Timber Frame	Member Only	01/12/2014	1.0
7 Part 5 - Design of escape routes during the construction process	Design Fire During Construction Health & Safety Site Safe	Advice Note	CLT SIPS Timber Frame	Member Only	01/09/2014	1.0
7.1 Fire robustness design concepts for the in-service life of the building	Design Fire in Service	Advice Note	CLT SIPS Timber Frame	Member Only	01/07/2014	1.0
8.1 Thermal imaging cameras	Construction Fire During Construction Health & Safety Site Safe	Advice Note	CLT SIPS Timber Frame	Member Only	01/06/2015	1.0
9.1 CDM Regulations for STA Members	Construction Design Engineering Fire During Construction Health & Safety	Advice Note	CLT SIPS Timber Frame	Member Only	01/04/2015	1.0
9.2 - CDM Regulations for Domestic Clients	Construction Design Engineering Health & Safety Self Build	Advice Note	CLT SIPS Timber Frame	Member Only	01/05/2016	1.0
Advice Note 18 Breather Membranes to Structural Timber Walls	Construction Design Quality Self-build Skills and training	Advice Note	CLT SIPS Timber Frame	Public	13/03/2019	1.0
- products that have been tested	Construction Design Fire During Construction Health & Safety Site Safe	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Member Only	01/09/2014	1.0
Regional Meeting - 22 February 2017 BOPAS Update	Membership Quality	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Member Only	01/02/2017	1.0
Regional Meeting - 22 February 2017 Education & Training Update	Membership Quality	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Member Only	01/02/2017	1.0
Regional Meeting - 22 February 2017 Fire Safety Guidance	Membership Quality	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Member Only	01/02/2017	1.0
Regional Meeting - 22 February 2017 ISO9001 Updates	Membership Quality	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Member Only	01/02/2017	1.0
16 Steps to fire safety	Construction Design Fire During Construction Health & Safety Site Safe	Guidance	CLT SIPS Timber Frame	Public	25/04/2018	4.3
Addressing the UK Housing Shortage Using Structural Timber Solutions	Membership	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Public	16/05/2017	1.0
Annual Review 2016- 2017 - A Year of Change - A Year of Opportunity	Membership	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Member Only	16/05/2017	1.0
Build Tomorrow's Home Today	Membership Self Build	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Public	01/08/2015	1.0

STA LIBRARY DOCUMENT INDEX  
NB: This index is sorted by 'Document Type Tag'

Builders Profile Premium Membership Discount for STA Members	Membership	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Member Only	01/03/2016	1.0
Building Low Carbon Homes - Guide 4	Design	Guidance	CLT SIPS Timber Frame	Public	01/04/2015	1.0
Building Low Carbon Timber Frame Homes Presentation	Design	Guidance	SIPS Timber Frame	Member Only	01/04/2015	1.0
Building Towards a More Sustainable Future	Design	Guidance	CLT SIPS Timber Frame	Public	Pre 2012	1.0
Cavity Barriers	Construction Design Fire in Service	Guidance	CLT SIPS Timber Frame	Public	01/11/2010	1.0
CFOA SiteSafe Notification System User Guide – STA Member	Construction Fire During Construction Health & Safety Site Safe	Guidance	CLT SIPS Timber Frame	Member Only	15/05/2014	1.0
Comfort and Cost: Low carbon timber frame in a changing climate Consumer Guide 1 - Stick Build v Pre-Manufactured	Self Build	Guidance	Timber Frame	Public	01/01/2013	1.0
CPD Factory Tour - Presentation	Construction Design Quality Skills & Training	Guidance	CLT SIPS Timber Frame	Member Only	01/04/2016	2.0
Custom Build and Self Build Housing	Construction Design Self Build	Guidance	CLT SIPS Timber Frame	Public	01/08/2015	1.0
Design Guide to Propping and Bracing	Construction Health & Safety	Guidance	SIPS Timber Frame	Public	01/11/2010	1.0
Design guide to separating distances during construction for Timber Frame Buildings	Construction Design Fire During Construction Health & Safety Site Safe	Guidance	SIPS Timber Frame	Public	06/10/2017	3.3
Design guide to separating distances during construction Part 4 (For CLT type frame buildings)	Construction Design Fire During Construction Health & Safety Site Safe	Guidance	CLT	Public	01/11/2014	1.1
Design guide to separating distances for timber frame buildings	Construction Design Fire During Construction Health & Safety Site Safe	Guidance	SIPS Timber Frame	Public	01/10/2017	3.3
Differential Movement in Platform Timber Frame	Construction Design Engineering	Guidance	SIPS Timber Frame	Public	01/05/2008	1.0
Egan Consulting Report - Annual Survey of Structural Timber Market Trends 2015	Membership	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Public	01/11/2016	1.0
Farmer Review	Membership Skills & Training	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Public	01/03/2017	1.0
Fire during construction advice and guidance Presentation	Construction Fire During Construction Health & Safety Site Safe Skills & Training	Guidance	SIPS Timber Frame	Member Only	01/04/2015	1.0
Fire risk induction pack for site workers	Construction Fire During Construction Health & Safety Self Build Site Safe	Guidance	CLT SIPS Timber Frame	Member Only	25/05/2017	1.0
Fire Risk Management FAQs	Construction Fire During Construction Health & Safety Self Build Site Safe	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Public	01/12/2011	1.0
Guidance notes for supply and erection terms	Erecting	Guidance	CLT SIPS Timber Frame	Public	01/02/2016	1.0
Guidance notes on wireless fire alarms	Construction Fire During Construction Health & Safety Self Build Site Safe	Guidance	CLT SIPS Timber Frame	Public	Pre 2012	1.0
Guide to Construction Phase Fire Risk Mitigation White Paper	Construction Fire During Construction Health & Safety Self Build Site Safe	Guidance	CLT SIPS Timber Frame	Public	01/06/2016	1.0
Health & Safety Signpost - Issue 1	Health & Safety	Guidance	SIPS Timber Frame	Public	04.02.18	1.0
Health & Safety Signpost - Issue 2 Working at Height	Health & Safety	Guidance	SIPS Timber Frame	Public	04.02.18	1.0
Health & Safety Signpost - Issue 3 Work Equipment Power Tools	Health & Safety	Guidance	SIPS Timber Frame	Public	31/05/2018	1.0
Health & Safety Signpost 4 - Inspections by HSE – wood dust and welfare	Health & Safety	Guidance	SIPS Timber Frame	Public	22/10/2018	1.0
Health and Safety Code of Practice	Construction Health & Safety Membership	Guidance	CLT SIPS Timber Frame	Public	01/02/2014	5.0
HSE Fire Safety in Construction	Construction Fire During Construction Health & Safety Self Build Site Safe	Guidance	CLT SIPS Timber Frame	Public	01/01/2014	1.0
Living in a Timber Frame Home	Design Self Build	Guidance	Timber Frame	Public	01/01/2016	1.0
Member Benefits	Quality	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Public	22/12/2014	1.0
MHCLG Consultation on banning the use of combustible materials in the external walls of high-rise residential buildings	Fire in Service	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Member Only	23/08/2018	3.0
Product listing to comply with category B and C solutions in the design of separating distances	Fire During Construction Health & Safety Site Safe	Guidance	CLT SIPS Timber Frame	Public	41883	8.8
Regional Meeting - 22 February 2017 Terms and Conditions Update	Construction Membership	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Member Only	01/02/2017	1.0
Risk Assessment Checklist	Fire During Construction Health & Safety Site Safe	Guidance	CLT SIPS Timber Frame	Public	01/12/2011	1.0
Self build insurance - key requirements	Self Build	Guidance	CLT SIPS Timber Frame	Public	01/03/2014	1.0
SIP Pocket Guide	Construction Design	Guidance	SIPS	Member Only	01/08/2016	1.0
Site Safe Editable Audit Process Document	Membership Site Safe	Guidance	CLT SIPS Timber Frame	Member Only	01/05/2015	1.0
Site Safe Editable Letters Document	Membership Site Safe	Guidance	CLT SIPS Timber Frame	Member Only	01/05/2015	1.0
Site Safe policy & audit process	Membership Site Safe	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Member Only	01/08/2017	1.0
Site Safe Poster	Site Safe	Guidance	CLT Engineered Wood Products SIPS Timber Frame	Public	16/05/2018	1.0
SiteSafe policy V 7.1 Template letters for members	Membership Site Safe	Guidance	CLT SIPS Timber Frame	Member Only	26.02.18	1.8
